*Leading through our people*

**POSITION VACANT - BOILER MAKER**

# WE'RE HIRING!

**At Forefront Services we understand that our greatest resource is our PEOPLE.**

**Forefront Services is a privately owned multi-faceted engineering services company that operates across the Infrastructure/Mining/Industrial/Construction/Agricultural and Government sectors with our Head Office based in Orange, NSW.**

We are currently seeking multiple experienced Boilermakers to join our Sydney, Orange and Parkes based teams.

## **WHAT WE ARE LOOKING FOR:**

- Engineering Fabrication Trade Certificate.
- Demonstrated ability to read and interpret drawings.
- Ability to communicate effectively and work well in a team environment.
- Strong safety focus and ability to operate within WHS policies.
- Diagnostic and troubleshooting skills – ability to solve problems.
- Confined Space, WAH, EWP, FLT, Dogging, Overhead Crane Tickets are not essential but are preferable.
- Ability to travel for shutdowns and projects.

This is a great opportunity for experienced Boilermaker's to join our Company. We offer a competitive wage, flexible work arrangements and the opportunity to work with a Company that genuinely values its employees.
